Article 1.0 Announcements

The Micra Challenge 2026 is promoted and organised by Ballynahinch & District Motor Club Ltd.

The competition will be known as the 'PRG Trailers – Trailertek Micra Challenge'

The main aim for the Micra Challenge is to provide low-cost competition for competitors (drivers and co-drivers) of Micra K11 rally cars (see Appendix A: Technical Eligibility Regulations). The rallies selected for inclusion in the Challenge will test competitors on a single venue race circuit, tarmac events on closed public roads and forest-based gravel roads.

In addition to the Micra Challenge which is open to all eligible cars that comply with the Micra Challenge Technical Regulations, there will be a Category for Standard Micras that also comply with BTRDA Rally First Technical Regulations – these are effectively standard cars with a maximum engine capacity of 1400cc with suspension upgrades permitted (non-canister) and upgraded differential in addition to standard rally safety modifications. Please note that Micra Kit Cars are not eligible for the Standard Micra Category. [Note that one-make tyre restrictions applicable to BTRDA do not apply to the Micra Challenge]

The Micra Challenge Coordinator shall be Gavin Campbell.

In the case of any dispute relating to the Micra Challenge it will be referred to the following panel of three Micra Challenge Stewards appointed by BADMC: David Meeke, Ray Linton, Lewis Boyd. The first named is the Chairman of the Stewards and in the event of non-availability of any of the Stewards BADMC shall appoint a replacement.

The Micra Challenge will be run in compliance with the International Sporting Code (and its appendices), the provisions of the Motorsport UK National Competition Rules and these Micra Challenge Regulations (including the accompanying Technical Eligibility Regulations).

The Challenge shall run under Motorsport UK Championship Permit No: **CH2026/RALLY082**

The Micra Challenge is open to those who hold a suitable Competition Licence issued by Motorsport UK or Motorsport Ireland (or Non-Motorsport UK / Motorsport Ireland Licence holders who hold a current Eligible Grade Licence with permission from their ASN) and who are fully elected members of Ballynahinch & District Motor Club.

3.0 Technical Scrutiny
